Natural Ingredients to Live Unleashed

Alpha-GPC & Choline

These are building blocks for acetylcholine, a brain chemical that helps with memory, learning, and staying focused.

Phosphatidylserine & Lion's Mane

Support your brain's ability to adapt and grow neuroplasticity, making it easier to form new memories and recall information.

Huperzine A & Nicotinamide Riboside

Help protect brain cells and support their growth and repair, which can boost your brain's long-term performance.

Zinc Citrate & Caffeine Anhydrous

Work together to sharpen thinking and improve how brain cells communicate and process information.

Currant, Cherry & Apple Flavor

A bold blend of tart, sweet, and crisp fruit flavors that make every sip naturally delicious.
