ASEA® Performance Mood

Find your calm with ASEA Mood—your support for stress, balance, and emotional well-being. It eases anxiety, promotes better sleep, and supports emotional balance, with 5-HTP to help the body produce more natural serotonin.*

Unleash Your Balanced Emotions

Most drinks ignore emotional wellness. ASEA Mood makes it center stage—with ingredients that support real-life balance. The pineapple passionfruit flavor can put anyone in a good mood, but with ingredients like 5-HTP and GABA, ASEA Mood helps you manage your stress naturally and regulate your mood beautifully.

Drink to Think with ASEA Mood

Uplifts mood

Mood improves through supporting neurotransmitter production.

Relaxes brain and body

Lower mode promotes deep calm.

Regulates nervous system

Helps balance receptors to provide emotional balance.

Manages stress and anxiety

Improves sleep quality, lessening anxiety and mental stress.

Natural Ingredients to Live Unleashed

Affron®

A patented form of saffron extract, Affron® helps increase your internal production of melatonin—a hormone that helps with sleep.

Ashwagandha

Lowers cortisol, reducing stress and anxiety, and improving overall sleep quality.

GABA

Often referred to as the "calming neurotransmitter," GABA helps to reduce anxiety, promote relaxation, and create feelings of calmness.

5-HTP

An amino acid that helps increase serotonin in the brain, improving mood, anxiety, and emotional balance.

Pineapple & Passionfruit Flavor

A bold tropical blend bursting with juicy flavor—so refreshing, you won't want to stop sipping.

Not to mention, all of our ASEA Performance products are free from the top 8 allergens, including eggs, fish, and peanuts, so everyone can enjoy their life unleashed.
